Brahma Valley Educational Campus, Anjaneri, Trimbak Road, Nashik - 422 213

Our Vision

To be center of excellence in the field of technical education by holistically developing future Engineers, Technocrats and Achievers having the right knowledge, skills and attitudes towards profession and life.

Our Belief :

न हि ज्ञानेन सदृशं पवित्रमिह विद्यते ।

Our Mission

To impart education to students to become the best professional minds and entrepreneurs of today, who will lead their activities successfully. To provide an environment which supports continuous improvement and innovation with desired support and facilities. To enhance student's learning and faculty effectiveness. To provide facilities for personality grooming, physical fitness and a strong sense of social environmental responsibility.

Brahma Valley College of Engineering & Research Institute

Shri Rajaram Pangarkhane (Patil), our President, with a great vision and ambition established this campus in 2000 to impart education to the people living in the rural area.

NDSPM's Brahma Valley Educational College of Engineering & Research Institute is situated at a place known as Anjaneri in the close vicinity of Nashik city, which is the birth place of Lord Hanuman. It is close to Trimbakeshwar, one of the twelve Jyotirlinges of Lord Shiva. It has a very impressive and attractive campus of about 35 acres in a serene surrounding at the foot of Anjaneri hills of the Sahyadri Range.

ELIGIBILITY

First Year Engineering

The candidate should be passed with Physics & Mathematics as compulsory subjects along with one of the Chemistry or Biotechnology or Biology or Technical Vocational subject or Computer Science or Information Technology or Informatics Practices or Agriculture or Engineering Graphics or Business Studies & obtained at least 45% marks (at least 40% marks, in case of backward class categories, Economically Weaker Section & Persons Disability category candidates belonging to Maharashtra State), in the above subjects taken together & the candidate should have appeared in all the subjects in CET & should obtain non zero score in CET/JEE conducted by the Competent Authority.

Direct Second Year Engineering Admission

Passed minimum 3 years Diploma in Engineering & Technology & obtained at least 45% marks (at least 40%, in case of backward class categories, economically weaker section & persons with disability candidates belonging to Maharashtra State only.

M.B.A.

The candidate should be an Indian National & should be a graduate from any stream with minimum 50% marks for candidates of open category and 45% marks for the reserved category.

Admission under Institute Level

The admissions under the Institue level seats are as per the rules laid down by Directorate of Technical Education (DTE), Maharashtra.

Fee Structure

Our Institute is following the fee structure approved by Fee Regulating Authority, Government of Maharashtra.

Scholarship

Scholarship is available to the eligible students i.e. SC/ST/NT/SBC/OBC, minority, economically backward class (EBC) as per the Central Government & Government of Maharashtra Rules & Regulations.

Trust Scholarship

At Brahma Valley we impart "Quality Education". Quality education comes with a price tag, that may not be affordable to many meritorious students. In order to give such students an opportunity to avail the best education, we give them special concessions.

Mechanical Engineering

It is one of the core branches in Engineering which can be divided into Design Engineering, Thermal Engineering, Production Engineering, CAD/CAM. Mechanical Engineering is the oldest branch of engineering. It has multi- disciplinary approach with other branches like Electrical, Electronics, Chemical, Computer etc. Mechanical Engineers are well in demand in automobile Industry, Power Plants as also in manufacturing sector in our country and abroad. This branch also promotes Entrepreneurship Development in its unique way.

Computer Engineering

Computer Engineering course has gained importance since the last decade as computers have been extensively used in different sectors such as business, education, banking, medical, artificial intelligence & in various research organizations. Also this branch has become the backbone for all other branches since the computer has made everything automated. This course trains the students in the computer science including Hardware, Software, Programing languages and networking subjects.

Electrical Engineering

The Electrical Engineering branch is very relevant to the requirement of modern fast developing industries. This is a very broad field, ranging from all aspects of information processing, power production and control. The main areas of Electrical Engineering are machines, Electrical Power Generation, Transmission and Distribution, Instrumentation, Power Electronics, Control System and neural works. To achieve the aforesaid, we at BVCOE regularly upgrade the infrastructure and lab facilities and provide adequate opportunities for students to learn.

Civil Engineering

Civil engineers build the world's infrastructure. In doing so, they quietly shape the history of nations around the world. Most people can not imagine life without the many contributions of civil engineers to the public's health, safety and standard of living. Only by exploring civil engineering's influence in shaping the world we know today, can we creatively envision the progress of our tomorrow.

MBA

At Brahma Valley College of Engineering & Research Institute we also offer Masters Degree in Business Management i.e. MBA which attracts people from a wide range of academic disciplines. We offer the core courses in the MBA program designed to introduce students to the various areas of business such as finance, marketing, human resources, operations management, Systems etc. It is a two year full time Programme including a two months summer training to provide our students with a practical exposure to the corporate world.

Courses Offered

Branch	Course Code	Intake	Duration
MECHANICAL ENGINEERING	513061210	120	4 years
COMPUTER ENGINEERING	513024510	60	4 years
CIVIL ENGINEERING	513019110	60	4 years
ELECTRICAL ENGINEERING	513029360	60	4 years
MBA	513010110	60	2 years

Training and Placement Cell

(100% Placement Assistance)

Training & Placement Cell is an integral part of our institute. The Institute has provided complete infrastructure for effective functioning of the cell. Training activities are organized throughout the year in an effort towards preparing the prospective students for the campus selection programs. The cell keeps on inviting various industries and reputed firms for campus recruitment. It coordinates well with the corporate sector to facilitate the campus selection programs. The cell maintains a very cordial relationship with all the recruiting agencies and also prepares the recruited candidates to face the competitive world.

Our Placement in :

Personality Development Programs

Personality Development Programs are often arranged in our Institute to enhance the students' Physical, Psychological and Spiritual personalities. These programs also takes care of their communication skills and make them more confident so that they can face the world at large boldly.

Extra Curricular Activities

Cultural and Sports activities are conducted for our students every year under the banner BRAHMOTSAV.

Workshop, Seminars, Expert Lectures & Industrial Visits

The Institute organizes various Industrial workshops, seminars expert lectures and Industrial Visits in order to provide a practical exposure to the students and also to improve their various skills, knowledge and talent.

Facilities

Seminar Hall : A spacious & well equipped seminar hall is provided to the students to conduct Seminars, Expert lectures etc in the college.

Library : Our Institute has a central Library, managed by the library Software. It is well equipped with a number of text books, reference books, National & International Journals & periodicals. A separate reading hall is provided for the young & vibrant learners. We also have e-library facility in our Institute.

Canteen : Canteen facility is available in the college campus. It provides hygienic food to the students at a subsidized rates. The food is sumptuous and nutritive.

Transport : Adequate transport facility is provided by the Institute on different routes covering entire Nashik City & its suburbs. MSRTC also plays a regular bus service from the different parts of the city.

Hostel : Our Institute has a separate hostel facility for girls & boys having five spacious buildings. It is well equipped with many modern amenities such as : Solar Water Heater System, Entertainment room, Visitors Room, Telephone facilities etc. We also have a mess facility in a well furnished & spacious dining hall. Professional Security Arrangements has been made for the campus.

Information at our door step : All sorts of information is at our doorsteps now with Unlimited Multi- user Broadband Internet facility of 32 mbps being available in our campus, which facilitates learning. It also helps the students in various academic activities like presenting seminars, preparing for the exhibitions and updating their knowledge continuously.

Medical Assistance : Our Institute also provides with Medical Assistance to the students. A doctor & a first aid facility including Ambulance is provided by the Institute.
